IV. Observations

- A. For parents, take careful note of the wisdom and reasonableness of extending mercy joined with the opportunity to prove the sincerity of repentance.

- B. We need greater faith in the righteousness of Christ's reign: that according to His wisdom and the perfection of His Providence, the Judge of all the Earth will do right.

- C. The day of mercy and grace will not continue. God's spirit will not always strive with man, and so, repentance is an urgent issue.
