Something to Think About: "What, tell Scripture to step aside for a while and call in some puny historian or scientist and, after hearing his verdict, tell Scripture: 'Now I can accept your statement?' No, no; with the Christian it is axiomatic: 'The Scriptures **cannot err.**'" (Theodore Engelder in *Scripture Cannot Be Broken*)

Note: If you have snack duty on Sunday morning please graciously empty the coffee pot and put it away in the cabinet. Thank you.
