

“TWO KINGDOMS”

What if a pastor presented a series of messages, where he addressed the subjects of pluralism, evolution, abortion, the definition of marriage, homosexuality, gender identification, alcohol, drugs, pornography, and promiscuity? And what if he claimed that whatever the Bible says about these subjects is still the truth today?

Understanding the principle of “two kingdoms”:

1. There are only two kingdoms.
2. These kingdoms have existed throughout all of time.
3. Both kingdoms exist in the same space.
4. These kingdoms are complete opposites.
5. Each kingdom has a king.
6. Both kingdoms are powerful and influential.
7. These kingdoms are battling for the hearts and minds of all people.
8. Everyone is a citizen of one kingdom, or the other.
9. We are born into one kingdom, but we are born again into the other.
10. Both kingdoms influence, and have something to say, about the subjects we will address in this series.
