

Sermon: Christ's Resurrection, Our Faith, and the Scriptures  
Scripture: Luke 24

Introduction: Subject and Survey

- I. Consider the resurrection of Christ to understand the Christian's struggle of faith:
  - A. Examples
  - B. Why this struggle of faith?
    1. Because the Scriptures are neglected or misunderstood.
    2. Because we allow feelings, experiences, emotions, and opinions to direct us instead of God's Word.
    3. Because of personal pride and closed hearts and minds.
- II. Learn from the resurrection of Christ to have a more mature and stronger faith:
  - A. A more mature and stronger faith is to be found in the Lord Himself and His Word (Ps. 119:18; Luke 9:22; 18:31-33; Rom. 10:17; Ps. 19:7,8,11; 1:1-3).
  - B. A more mature and stronger faith comes to those who earnestly seek the Lord (I Peter 2:3; Matt. 7:7-8).
