

GIRLS GOING GANGSTER! (PART 1)

JOEY FAUST (4-12-23)

Proverbs 1:8 My son, hear the instruction of thy father, and forsake not the law of thy mother:
10 My son, if sinners entice thee, consent thou not.
11 If they say, Come with us, let us lay wait for blood, let us lurk privily for the innocent without cause:
12 Let us swallow them up alive as the grave; and whole, as those that go down into the pit:

13 We shall find all precious substance, we shall fill our houses with spoil:

14 Cast in thy lot among us; let us all have one purse:

15 My son, walk not thou in the way with them; refrain thy foot from their path:

16 For their feet run to evil, and make haste to shed blood.

18 And they lay wait for their own blood; they lurk privily for their own lives.

19 So are the ways of every one that is greedy of gain; which taketh away the life of the owners thereof.

Romans 1:26 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:

**Proverbs 13:20 He that walketh
with wise men shall be wise:
but a companion of fools shall
be destroyed.**

**1 Corinthians 15:33 Be
not deceived: evil
communications corrupt
good manners.**

Michael W. Harris, *The Rise of Gospel Blues: The Music of Thomas Andrew Dorsey in the Urban Church*, 1994.

Tex Ritter:

"...I became quite well acquainted with the Communists....At one time called myself a folk singer...for a few years where it was very difficult to tell where folk music ended and Communism began. So that's when I quit calling myself a folk singer."

**2 Timothy 3:1 This know also, that in the last days
perilous times shall come.**

**2 For men shall be lovers of their own selves, covetous,
boasters, proud, blasphemers, disobedient to parents,
unthankful, unholy,**

**3 Without natural affection, trucebreakers, false accusers,
incontinent, fierce, despisers of those that are good,**

**6 For of this sort are they which creep into houses, and
lead captive silly women laden with sins, led away with
divers lusts,**

Bill Cosby:

"...we have men in prison. No longer is a person embarrassed because they're pregnant without a husband...No longer is a boy considered an embarrassment if he tries to run away from being the father of the unmarried child..."

"In the neighborhood that most of us grew up in, parenting is not going on...I'm talking about these people who cry when their son is standing there in an orange suit. Where were you when he was two? Where were you when he was twelve? Where were you when he was eighteen...? And where is his father, and why don't you know where he is? And why doesn't the father show up to talk to this boy?...We cannot blame white people..."

...I'm telling you, and people in jail, and women having children by five, six different men...Grandmother, mother, and great grandmother in the same room, raising children, and the child knows nothing about love or respect of any one of the three of them...All this child knows is 'gimme, gimme, gimme.' These people want to buy the friendship of a child...Those of us sitting out here who have gone on to some college or whatever we've done, we still fear our parents...And these people are not parenting. They're buying things for the kid. \$500 sneakers, for what?...

We are not parenting. Ladies and gentlemen, listen to these people, they are showing you what's wrong. People putting their clothes on backwards. Isn't that a sign of something going on wrong?...

Are you not paying attention, people with their hat on backwards, pants down around the crack. Isn't that a sign of something, or are you waiting for Jesus to pull his pants up...Isn't it a sign of something when she's got her dress all the way up...and got all kinds of needles and things going through her body.

**We are not Africans. Those people are not Africans...
names like Shaniqua, Shaligua, Mohammed and all that
_____ and all of them are in jail...**

**It can't speak English. It doesn't want to speak English. I
can't even talk the way these people talk...I don't know
who these people are. And I blamed the kid until I heard
the mother talk...Everybody knows it's important to speak
English except these knuckleheads...There is no Bible that
has that kind of language.**

Where did these people get the idea that they're moving ahead on this. Well, they know they're not, they're just hanging out in the same place, five or six generations sitting in the projects when you're just supposed to stay there long enough to get a job and move out...

Now look, I'm telling you. It's not what they're doing to us. It's what we're not doing...These people are fighting hard to be ignorant. There's no English being spoken, and they're walking and they're angry....they're angry and they have pistols and they shoot and they do stupid things. And after they kill somebody, they don't have a plan. Just murder somebody. Boom. Over what? A pizza? And then run to the poor cousin's house. They sit there and the cousin says “what are you doing here?” “I just killed somebody, man.” “What?” “I just killed somebody, I've got to stay here.” “No, you don't.” “Well, give me some money, I'll go...” “Where are you going?” “North Carolina.”...

**Five or six different children, same woman,
eight, ten different husbands or whatever...**

**I'm telling you Christians, what's wrong with
you?...**

**What is it with young girls getting after some
girl who wants to still remain a virgin. Who are
these sick black people and where did they
come from and why haven't they been parented
to shut up?...**

These are children. They don't know anything...All they know how to do is beg. And you give it to them, trying to win their friendship. And what are they good for? And then they stand there in an orange suit and you drop to your knees, “(crying sound) He didn't do anything, he didn't do anything.” Yes, he did do it. And you need to have an orange suit on too...

So, ladies and gentlemen, I want to thank you for the award (big laughter) and giving me an opportunity to speak... I just want to get you as angry that you ought to be... You're raising pimps...

"The kids AREN'T alright: child gunshot deaths jumped 50% in just two years to a record-breaking 2,590 - half of parents now scared their kid will get shot amid spate of school bloodbaths...Victims were disproportionately black and male, mostly the result of homicides...Poorer parents and those in urban areas are more worried about gun violence..."

'I'll get him': Sheriff vows to hunt down third killer as two boys, 12 and 17, are arrested in triple teen murders: Cop says shooters left messy crime scene as they hid bodies after 'turning on the victims'

Christopher Atkins, 12, and Robert Robinson, 17, remain in custody, while a third suspect, Tahj Brewton, 16 is being sought in an urgent manhunt...

Layla Silvernail, 16, Camille Quarles, 16, and an unidentified 17-year-old boy were last week shot together in a car before being discovered in separate locations...

'There is no honor among thieves, and at some point, these individuals turned on our three victims and murdered them,' the cop said. He said that the three suspects 'fled the scene but left a lot of evidence in their wake.'

Woods fought back tears as he described having to 'stare into the eyes' of the young suspects' mothers. He said: 'I put myself in the shoes of those mothers because I heard one of them say, 'I wish I would have known what this one was doing and who they were, because my kid never would have hung out with them.'

"Every single one of them, in some shape or form, is associated with a gang."

(Florida Sheriff Billy Woods)

"Not only were the victims juveniles. But the murdered were juveniles as well."

"We do not hold our juveniles accountable."

**"Here's the one thing my boys know:
growing up, the _____ barber had my
permission to whip their _____..."**

**"They're associated with gangs... Gangs
don't go to church on Sunday, and then
preach the Gospel the next six days."**

SHELBY, NC (WBTV) - Nineteen-year-old Aaron Byers appeared in court Monday to face charges of killing his 17-year-old girlfriend during a botched robbery over the weekend...Shelby Police investigators say Byers attempted to rob two people in the backseat of a car. There was a struggle for the gun, and Bickley was shot.

"She's 17. She's my baby girl. It's a waste," said her father, Guy Bickley. He said family members tried to break up the couple to no avail. Hannah was currently living with Byers...Bickley said he knew about Byers' previous criminal record and constantly worried about his daughter's safety.

According to state prison records, Byers was convicted in 2013 of several burglaries and given probation. At the time, investigators with the Cleveland County Sheriff's Department said Byers was a gang member and part of a crime spree with several other suspects.

Byers is charged with murder, possession of a firearm and attempted armed robbery. He also has pending drug and assault charges.

**Victim's uncle: Hannah was
a 'good kid who got involved
with the wrong person'**

“We did everything we could to try to get some separation between those two,” her uncle said.

The Cleveland County Sheriff’s Office connected him as part of a group that committed 14 break-ins between October 2012 and March 2013. Officers also said at that time that all five suspects were affiliates with the Bloods Gang, targeting mostly electronics, jewelry and firearms.

Grady Judd (Polk County Sheriff, Florida):

"He's 19. He's going to prison for the rest of his life. And I want all you 'cool dudes' to think about this. While you're watching your Gangster Rap; and you're looking for a stolen gun; and you're shootin' at your buddies, and your buddies' house, and your buddies' car...This guy thought he was going to be you! Or you're going to be him. And now he's going to prison for the rest of his life, upon conviction."

"I'm going to introduce you to a victim...The victim's mother wants us to use his name, and to even talk about his history...The victim is John McGee...He's 33...He's still her child...She admits readily that he has misbehaved throughout life...He's known as Bang Bang...And he's a known gang member...he was released from prison on October the 8th...where he did 4 or 5 years...He's a trouble-maker...on Dec. 17th...he was shot in the back...24 days later he died...It was an opposing gang member [who shot him]..."

"This is La'Darian Chandler...He's a self-proclaimed rapper...He shot John McGee in the back...And then he made a rap video about it...What kind of coward is that?..."

He was on juvenile probation...He previously had 7 felony arrests...[etc.]...He was just a mess...When was his first arrest? When he was 11...[and 13, and 14...15 and 17...etc.]..."

"When we laid the 1st degree murder warrant on him...he started crying like a baby who lost his pacifier...He had to be cool. He had to make his rap videos...And that's what's happening in this rap world, today...That's why we have these kids ganging up...[Young] girls were shot in two different houses, in the middle of the night [recently]..."

"We un-'rapped' him from coolness, and 'rapped' him in a jail cell... And I don't know how you put that in a rap video...[but] you're next 'dude'!"

"[Answer to question] Listen, that's a bunch of hooley...That soft and cuddly feelin', w'ere going to 'Hug a Thug'...And 'if we give him another popsickle...they're going to be good'...Y'all need to wake up! These dudes are takin' you'll for fools! They'll eat your ice cream on Saturday, and shoot up their rivals on Saturday night! And smile at you in the mean-time."

"...It all starts with parenting at home, when their young, and keeping them away from this lifestyle...They want to be cool. They want to be rappers...You got the little bittie dudes and dud-etts...Don't let them watch this_____

They [the experts] think... *if we hug them closer...all this will go away.* This kid GOT the full measure of the system...When you don't raise your kid, the 'street' will raise your kid...It will be violent..."
