

**“THE MIGHTY ANGEL AND THE LITTLE BOOK”**  
**REVELATION 10:1-11 SUPPORT SCRIPTURE**

**I. ANNOUNCING THE FINAL WRATH**

*A. Pause between the 6th and 7th Trumpets*

*B. The mighty angel with the little book*

*1. Clothed with a cloud*

*2. Haloed by a rainbow; face like the sun; feet like pillars of fire*

*3. A little opened “book” is in his hand*

*4. Positioned with one foot on the land and the other on the sea*

*5. Cries out so loudly it motivates 7 thunders to peal*

*a. Their sounds are not mere thundering sounds but are discernible voices; John understood what they said*

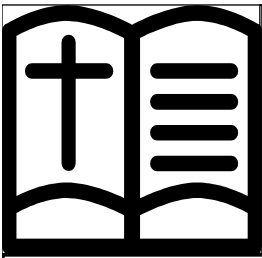

*b. John was forbidden to make public their utterances; instead he is to seal them up*

*6. The angel with one foot on land and the other on the sea raises a hand to heaven and swears by the eternal Creator of all things that the delay is over; in the days of the 7th angel’s sounding the mystery of God is finished!*

*a. This answers the question asked by the martyrs of the 5th seal*

*b. It completes exactly all the prophecies God had given before*

*c. In his manner of addressing the author of this declaration, He makes clear that God*

*has created all things to be found anywhere in the whole cosmos*

## II. THE LITTLE BOOK

### A. An odd command

1. Take the book from the angel - unidentified voice from heaven
2. He requests the book as commanded
3. The angel adds an additional command to eat the book!
  - a. It will be sweet in the mouth
  - b. But it will be bitter in the stomach

### B. A compliant apostle

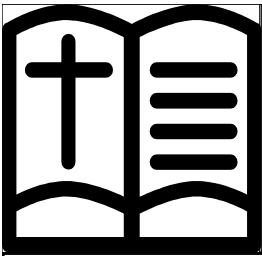

1. He takes the book from the angel
2. He eats it, all of it
3. It was just as the angel told him it would be - sweet in the mouth and bitter in the stomach

### C. He is told the rest of the mission - your prophesy is to continue, there is more to be told; now the words are part of him!

1. His prophesy will be about many peoples, nations, tongues and kings; the Word of God is global in its outreach and inclusive
2. This prophesy will end the age: the times of the Gentiles is closing and the times of the Christ and His rule are about to begin

### D. What is the little book? Unidentified; but we can see that the 7th seal made the scroll (book) ready to open; this little book is the rest of the opened scroll

*What do we learn from this?*
