"It may safely be said that the Judaizing of the Church (*putting the believer under law*) has done more to hinder her progress, pervert her mission, and destroy her spiritually, than all other causes combined. Instead of pursuing her appointed path of separation from the world and following the Lord in her heavenly calling, she has used Jewish Scriptures (*i.e. law-based*) to justify herself in lowering her purpose to the civilization of the world, the acquisition of wealth, the use of an imposing ritual, erection of magnificent churches, the invocation of God's blessing upon the conflicts of armies, and the division of an equal brotherhood into 'clergy' and 'laity'."
