Designed to Spread the Light to the World

Old Testament: Isaiah 65:19-25, Isaiah 2:2-4

New Testament: Matthew 28:18-20, Revelation 19:15-16

Intro: To have a comprehensive biblical worldview, you must look at BOTH the past AND the future of your own life and the world through a biblical lens.

Part 1: In the OT, the effects of the Gospel on God's people began to shine light into the pagan nations of the ancient world.

Part 2: Christ's birth prophesied.

Christ's redemptive work on the Cross, and His governance of the world since His ascension has effects on the world that are often overlooked.

Examples of how this works itself out in practical ways:

- physical world
- on societies
- institutions
