

Concerning the Collection
1 Corinthians 16.1-4

Introduction

Since God has given so much of Himself for our sake,
then we should give to Him of what is His for the sake of His church.

1. Giving to God is a ministry that helps unite Christ's church [v1].
2. Giving to God is a ministry to be done regularly and proportionately [v2].
3. What is given to God should properly administered and used [vv3-4].
