

THE "CATCH-22" OF CHRISTIANITY

4/26/2020

Text: Joshua 6-8

Theme: The key to victory is surrender.

Catch-22 **A no-win dilemma**

Surrender isn't a sign of defeat for the Christian, but a sign of victory when it is in obedience to the Lord. **In fact, we are going to see in this message when there is a lack of surrender there is defeat**

I. The Lord doesn't need your strength, He needs your surrender – to Him

A. You must learn to trust in the power of God (6:1-5)

B. You must learn to trust in the timing of God (7:1-9)

C. You must learn to trust in the knowledge of God
Ai – it took a plan (8:1-7)

II. The Lord need your brains or your brawn, He needs your belief – in Him (1:6-9)

Do you believe in God?

Our victory is based on the nature and character of God

Our victory is based on our surrender

Appl:

1. Identify the battle/the enemy: health, finances, temptation, relationship
2. Identify what is true about God that will lead to your victory
