Doctrines:

1. The punishment of sin begins in this life, and culminates at the day of wrath:

2. Man is naturally incapable of repentance due to hardness of heart:

3. A life without repentance is lunacy!

4. Fallen man is the agent of his own destruction:

5. God's justice and judgments will be perfectly righteous:

Duties:

1. Examine yourself for any of the marks of God's judicial blindness:

2. If you sense any of these marks of judicial blindness, FLEE TO JESUS CHRIST!

3. Do not delay repentance:

4. Do not be the means of your own destruction:

5. Always keep the day of wrath before your mind:

6. For those who have repented, rejoice in the grace of the gospel!
