Praxis

1. What are some of the objections people have in wanting to hear or accept the Gospel of Jesus as we share it with them? How do Jesus' words to Nicodemus apply...?
2. How does human inability to be saved outside of rebirth contribute to our salvation being secure?
3. Read Ezek 37:1-28 – what does it teach you about God's nature?
4. Do you struggle with God's sovereignty in salvation? Articulate as best you can why this troubles you. Take these concerns to the Lord in prayer...
