

The work of the ministry continues. Nothing can stop God in fulfilling the promise of Jesus when He said, “...I will build my church; and the gates of hell shall not prevail against it.” (Matthew 16:18) There are worldwide avenues and venues now being used to get out the GOOD NEWS! WE could be on the threshold of a worldwide revival!

God’s people must stay focused on GOD. The lines are being drawn. With the rise of more people praying and sharing their faith, the devil is increasing his persecutions. We have read the last chapter of the Bible and we WIN...either through Revival or Rapture! Wow! What an exciting time to be alive.

We must be a repentant people, and judgment must begin at the house of God (I Peter 4:17). We do not good to curse the darkness; we must light a candle. As in olden times, God’s people must cry out for MERCY. “*In wrath remember mercy*” (Habakkuk 3:2).

Church, this is our hour. Keep praying for revival!

THANK YOU for sharing in the live stream services each week. Your participation means so very much. It is understood that watching a service is not the same as being in the service. But until the crisis has passed we will do our best to glorify the Lord.

SHARE any prayer request for your family with us. We are available through text, email, or phone call. We must pray for EACH OTHER. Life goes on, and needs are ever present. James 5:16 tells us to *pray for one another*.

THANK YOU for your faithfulness in your tithes and offerings. Always honor God, and He will honor you. You may use the online giving that is available at faithkannapolis.com.
