

**Message Title:** Considering God's Schedule Pt-19 & 20

**Theme:** This message continues with the millennial reign of Jesus Christ as King of Kings and LORD of LORDS and how He will heal this Earth from the damage that Adam and Eve brought upon it.

The phrase, "the more things change, the more they stay the same the same" also applies in scripture. When God recreated the earth for Adam and Eve, He placed two trees in the midst of it, providing them with an opportunity to choose between what they desired and what God desired for them. There was a bad tree containing death in the fruit, and there was the tree of life. Oh, they were already living but they were in jeopardy of losing their lives until they chose to eat from the tree of their choice. In the millennial reign we are told of a river of life and the tree of life again. Apparently it is the same tree that was in the garden, notice "the tree of life" not a tree of life. (See Revelation 22:1-2.)

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of

his dying wife. It reads, "***And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me***". Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease., ,
