

PROPAGANDA,
POISON, TO
PERSECUTION!

JOEY FAUST (4-5-23)

**John 10:10 The thief cometh
not, but for to steal, and to kill,
and to destroy...**

John 8:44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

**Matthew 24:22 And except those
days should be shortened, there
should no flesh be saved...**

Matthew 24:5 For many shall come in my name, saying, I am Christ; and shall deceive many.

9 Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name's sake.

10 And then shall many be offended, and shall betray one another, and shall hate one another.

Luke 21:8 And he said, Take heed that ye be not deceived...

12 And great earthquakes shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven.

12 But before all these, they shall lay their hands on you, and persecute you...

**Jeremiah 51:7 Babylon hath been
a golden cup in the LORD'S hand,
that made all the earth drunken:
the nations have drunken of her
wine; therefore the nations are
mad.**

**Daniel 8:25...he shall
magnify himself in his heart,
and **by peace shall destroy
many...****

"One of the original masterminds of Putin's early publicity stunts is Marat Gelman, the Kremlin's former political technologist...he recalled the summer of 1999, when only about 2 percent of Russians knew who Putin even was."

''I regret that time and my role now, of course. The idea was to stage scenes of Putin being active, traveling, doing things, solving problems without saying a word...I wrote texts that were published in newspapers as his, and at some point they put billboards around St. Petersburg with words by Jean Baudrillard, presented as Putin's. We all giggled quietly at the campaign headquarters.'''

Unherd.com:

"...Take trans activist and American Civil Liberties Union lawyer Chase Strangio. Two years ago, the ACLU lawyer argued that legislation that restricts access to hormones and surgeries for gender-questioning youth is 'akin to killing us'..."

"What we're witnessing here is not trans genocide but trans radicalisation..."

"...grimacing skulls that promise 'DEATH BEFORE DETRANSITION'..."

"...the grim vow that 'EVERY DAY IS TRANS DAY OF VENGEANCE'..."

Genesis 19:5 And they called unto Lot, and said unto him, Where are the men which came in to thee this night? bring them out unto us, that we may know them.

9...now will we deal worse with thee, than with them. And they pressed sore upon the man, even Lot, and came near to break the door.

Judges 19:22 Now as they were making their hearts merry, behold, the men of the city, certain sons of Belial, beset the house round about, and beat at the door, and spake to the master of the house, the old man, saying, Bring forth the man that came into thine house, that we may know him.

"We will keep their lives short and their minds weak while pretending to do the opposite. We will use our knowledge of science and technology in subtle ways so that they never see what is happening. We will use soft metals, aging accelerators and sedatives in food and water as well as in the air. They will be covered in poisons wherever they turn."

"The soft metals will make them lose their minds. We will promise to find a cure from our many funds, and yet we will give them more poison. Chemical poisons will be absorbed through the skin of idiots who believe that certain hygiene and beauty products presented by great actors and musicians, will bring eternal youth to their faces and bodies, and through their thirsty and hungry mouths, we will destroy their minds and systems of internal organs, reproduction. However, their children will be born as disabled and deformed and we will hide this information."

"The poisons will be hidden in everything around them, in what they drink, eat, breathe and wear. We have to be ingenious in distributing the poisons... We'll teach them that poisons are good - with funny pictures and musical tones..."

"They will see that our products are used in film and they will get used to them and will never know their true effect. When they give birth, we will inject poisons into the blood of their children and convince them that we are helping them! We will start earlier, when their minds are young, we will target their children with what children love most, sweet things."

"When their teeth decay, we will fill them with metals that will kill their minds and steal their future. When their ability to learn has been affected, we have created drugs that will make them sicker and cause them other illnesses, for which we will create even more drugs. **We will make them docile and weak before us, by our power. They will grow depressed, slow and obese, and when they come to us for help, we will give them more poison."**

"...We will distract them with fornication, external pleasures...Their minds will belong to us, and they will do as we say. If they refuse, we will find ways to implement technology that alters the mind in their lives."

"...When a light shines among them, **we will extinguish it by mockery or death**, which suits us best. We will make them tear their hearts apart and kill their own children..."

"...We will repeat this until our ultimate goal is achieved. We will continue to make them live in fear and anger, we will give them images and sounds..."

"...We will take over their lands, resources and wealth to exercise control over them. We will trick them into accepting laws that will steal the little freedom they have. We will set up a money system that will shut them down forever, keeping them and their children in debt."

"...We will use the media to control the flow of information and their feelings in our favor. When they rise up against us, we will crush them like insects, because they are less than that. They will be helpless to do anything about it."
