**Adult** | **Dispensationalism:** With other theological systems using various hermeneutics, what are the proper hermeneutics needed to understand what the Bible teaches concerning the doctrines of Israel, the church and the last days? Today, we will see how dispensationalism uses a literal, historical, and grammatical approach to Scripture that respects the author's intent.

**Kids** | *In the Beginning...Jesus:* God Judges the World, but Has Favor on Noah: God is grieved by sin, and is right to judge sinners. Noah trusted God's one way of salvation from the punishment of sin, and God is pleased when sinners trust Him (memory verse: Isaiah 53:5b).
