
Revelation 7:1-8

How do people get saved during the tribulation period? Now, the people get saved period? Now, the people get saved through the help and encouragement of the churches. But during the tribulation, the church has been taken up, but God sends back the Holy Spirit. The Holy Spirit will take over some people during the tribulation, but they won't say "the Kingdom of God is coming" - they'll be saying "The Kingdom of God is here!" They won't ask for salvation, they will ask for vengeance from God.

Rev 7:1: John says, after these things (the 6 seals), he sees four angels who are controlling the wind. There is no wind at all on the whole planet. A 5th angel comes out, and tells the other 4 angels to not hurt anyone on Earth until all the people have been stamped with the seal of servant to God on the forehead. Now refer to Ezekiel 9:1 - God has all his followers marked on the forehead, and then has all the idolators killed before he delivers judgement upon the Earth. God is sparing all who grieve and lament over the wrong-doings and evil acts mankind does, and smiting all who do these acts. You Reap what you Sow. Back to Rev 7:3, "and there were sealed an hundred and forty and four thousand of all the tribes of the children of Israel." Phran and Ethan are left out because they started worshipping golden calves, so God blotted their names out and replaced them with 2 others. See Deut 29:18-21.
