Sermon: "No Sympathy For The Devil." What's Wrong With You People? Pt. 5

**I Text:**

Old Covenant: Genesis 6:1-11; Judges 1:27-36

New Covenant: 2 Corinthians 6

**II Doctrine:**

The book of Judges continues to expose the inability of God's people to obey his commands. The lack of faith and courage leads to the Israelites allowing their enemies to live among them. God warned that failing to expel the Satanists from the land would cost Israel dearly.

God's people intimately mixing with the children of the Devil always leads to disaster. Only when people leave the "world system" and make covenant with God, can we have a relationship with them. The kingdom of Satan is fluid as Jesus Christ redeems people everyday through the Gospel.

The Church of Jesus Christ must strive to remain faithful to our King. The Church must never allow the "Canaanites" a foothold in the congregation. Paul expressly warns the faithful about having fellowship with the children of darkness. The Church must transform from effeminate to militant, in our day. One county at a time in America we must retake the land for King Jesus.
