#### Responsive Reading

**Leader:** You shall have no other gods before me.

**People:** It is written: "Worship the Lord your God, and serve him only."

**Leader:** You shall not make for yourself an idol.

**People:** God is spirit, and his worshipers must worship in spirit and in truth.

**Leader:** You shall not misuse the name of the Lord your God.

**People:** "Do not swear at all: either by heaven, for it is God's throne; or by the earth, for it is his footstool .... Let your 'Yes' be 'Yes,' and your 'No,' 'No'; anything beyond this comes from the evil one."

**Leader:** Remember the Sabbath day by keeping it holy.

**People:** The Sabbath was made for man, not man for the Sabbath. So the Son of Man is Lord even of the Sabbath.

**Leader:** Honor your father and your mother.

**People:** For God said, "Anyone who curses his father or mother must be put to death."

**Leader:** You shall not murder.

**People:** Love your enemies and pray for those who persecute you, that you may be sons of your Father in heaven.

**Leader:** You shall not commit adultery.

**People:** Anyone who looks at a woman lustfully has already committed adultery with her in his heart.

**Leader:** You shall not steal.

**People:** For out of the heart come evil thoughts, murder, adultery ... theft ... These are what make a man "unclean."

**Leader:** You shall not give false testimony.

**People:** For out of the overflow of the heart the mouth speaks ... For by your words you will be acquitted, and by your words you will be condemned.

**Leader:** You shall not covet.

**People:** Watch out! Be on your guard against all kinds of greed; a man's life does not consist in the abundance of his possessions.

### **Leader: Question**

Why is the word Remember set in the beginning of the fourth commandment?

### **People: Answer**

The word Remember is set in the beginning of the fourth commandment, partly, because of the great benefit of remembering it, we being thereby helped in our preparation to keep it, and, in keeping it, better to keep all the rest of the commandments, and to continue a thankful remembrance of the two great benefits of creation and redemption, which contain a short abridgment of religion; and partly, because we are very ready to forget it, for that there is less light of nature for it, and yet it restrains our natural liberty in things at other times lawful; that it comes but once in seven days, and many worldly businesses come between, and too often take off our minds from thinking of it, either to prepare for it, or to sanctify it; and that Satan with his instruments much labor to blot out the glory, and even the memory of it, to bring in all irreligion and impiety.
