#### b. Covenant of Grace<sup>i</sup>

1. Must Be: A plan that originates with God and benefits only man.
2. Must Be: A Clear and consistent logic and framework. That must be according to the Truth from God.
3. Must Be: A plan that has consistent purpose.
4. Must Be: A plan that is progressively revealed in history.
5. Must Be: A plan that is consistent and uniform from First to Last.

Four Questions that must be addressed by the Covenant of Grace.

1. Did the Fall of man come from one man?
2. Did the Fall pre-date all nations and cultures?
3. Has the fallen condition of mankind remained the same?
4. Did the plan incur an infinite cost?
