### TITLE: "Noah, Man of Faith!"

Today, I would like to begin a series of messages relating to Noah, Noah's Ark, Noah's Legacy and more.

I would like to focus on the man Noah, today. I have found that his name is mentioned in the Old Testament times. As you might suppose, he is mentioned primarily in the Book of Genesis, where \_\_\_ out of the 46 Old Testament references occur.

Old Testament Biblical authors who mention Noah include M\_\_\_\_\_, Ezra, I\_\_\_\_\_ and Ezekiel.

In the New Testament, Noah is mentioned by Matthew, L\_\_\_\_\_, the Writer of Hebrews and by P\_\_\_\_\_ for a total of \_\_\_ times.

So, the historical record about Noah extends from 1400 years before Christ to 35 years after Christ. He was no fable, but an actual historical, biblical character!
