

The Judgment of Jerusalem
Ezekiel 4:1-5:17

Main Point:

To avoid God's judgment, make sure your manner of life corresponds to your profession of faith and church membership.

1. Being in the church does not necessarily protect you from God's judgment.

2. This is because God judges the unrepentant and unfaithful, even in the church.

3. Therefore, make sure your manner of life corresponds to your profession of faith and church membership.
