9th message: **When God is not Seen**

Text: Esther

Theme: Discovering biblical truths about anger.

Emotions can change so quickly we lose control

Sadly, anger is a key theme to the book of Esther

I. Seeing the fruit of your anger (1:12)

Anger & wrath are both emotions that can be seen – even when quietly seething

With each example their anger was displayed most by their words

II. Finding the root of your anger

Already discussed causes of anger: fear, frustration, hurt

? What is the root sin “behind” anger?

Since I have to find it, where do I have to look?
