***Doctrines:***

1. Natural Law cannot be denied without absurdity:

---

---

---

---

---

2. Natural Law is a useful tool in working through Old Testament laws:

---

---

---

---

3. Autonomy is not a sinful category per se, but a theological fact:

---

---

---

---

***Duties:***

1. Do not fall prey to the modern, or rather, Post-modern denial of natural law:

---

---

---

---

2. Marvel at the wisdom and goodness of God in creating man after His own image:

---

---

---

---

3. Use natural law in evangelizing Gentiles and heretics:

---

---

---

---

---

---

---

---

4. Read the laws of the Old Testament with understanding:

---

---

---

---

---

---

---

---
