“A New Prize: The Church”

At Wildwood, we ask members to consider what **ministry** they want to be part of.

Romans 10: 9; Ephesians 2: 8-9; Acts 2: 38-39

“Believer’s baptism” is a baptism that happens **after** we believe and place our faith in Jesus.

Romans 6: 4; 1 Peter 4: 10

Our motivation behind sharing, serving and sacrifice is **love**.

1 Corinthians 12: 27-28

Church membership is an open door to freely give ourselves to God as we’re **empowered** by Him for His kingdom’s work.

Church membership is a gift and a gift is meant to be **treasured**.

A healthy church member finds **joy** in putting others first.

Matthew 20: 26-28; Hebrews 12: 2-3; Philippians 4: 13

“All Things New” Covenant #7: Membership in this church is a precious gift. When I received the free gift of salvation through Jesus Christ, I became a part of the body of Christ. I will believe, get baptized, and pursue serving Him in His church with a humble attitude filled with great joy. My desire in joining this church is to be part of something so much greater than any one person or member.
