

# Hebrews 3.4

## Every House is Built

### I. WISDOM IS EVIDENT IN THE DECLARATIONS OF SCRIPTURE

- A. Wisdom comes from God
- B. It is declared, presumed, asserted and demanded
- C. It is also the foundation of everything God does, and what He requires of us

### II. EVERY BUILT THING HAS A BUILDER

- A. Obvious to all who think clearly
  - 1) Cars
  - 2) Buildings
  - 3) Electronics
  - 4) Art
  - 5) Coded information

B. Denied by evolutionists everywhere

- 1) It is a theological necessity for them
- 2) The denial of God required for life to them

Is 44.9-20

- 3) The root of evolution is NOT science
  - a) There is no ability to observe it
  - b) It must be taken on faith

"One time only historical events may be true, but they are not part of science, for there is no way of repeating them, observing them and subjecting them to testing. Also, for a theory to be testable, it must be possible for those conducting the tests to use it in making predictions about the outcome of the tests. If a theory is not suitable for use by scientists to make specific predictions, it is NOT a scientific theory."

## Karl Popper Quote -

- c) It is built on assumptions
- d) It is a theory that has been shown to be contradictory, yet it is clung to for life itself to them
- 4) The evidence taken on its own does not point to macro-evolution

C. No evidence of key linking species

D. The evidence of a world-wide flood, they assert thousands of catastrophic localized events which mimic a world-wide event

E. The evidence points to a MUCH younger earth than evolution asserts

- 1) The heat and plasticity of the earth is a young phenomena
- 2) The magnetic field of the earth is decaying too fast for a billion year old earth.
- 3) Biological material decays too fast

- 4) Too much c-14 in deep geological strata, With its half-life of 5700 years no c-14 should exist in strata older than 250,000 years... yet it is found in HUGE amounts in strata supposed to be billions of years old
- 5) Diamonds, supposed to be formed billions of years ago, also contain c-14... measurable amounts of c14 are capped at 100,000 years with current technology, yet diamonds contain consistently measurable amounts of c-14
- 6) Not enough mud on the sea floor - 20 billion tons of dirt and rock from continents annually are deposited in the ocean...
- 7) Mineral content of the oceans too low
- 8) All clocks about aging work on assumptions...

F.Evident in the order of creation

G. Nothing becomes more complex and orderly with the passage of time

H. The law of entropy says that chaos proceeds from order

1) Mutation always a loss of information

I. The truth of this order and purpose is declared in Scripture

J. Design is evident in everything

1) DNA is coded information

2) Bad fin long before good leg

3) Giraffe blood pressure regulation - High pressure to reach 20 ft. up to its brain, yet immediately shuts down to prevent explosion when he bends down to drink...

4) 20 peptide chains to clot blood

5) Woodpecker brain cushioning

### **III. HE WHO BUILT ALL THINGS IS GOD**

A. Testimony of Scripture

**Genesis 1**

Proverbs 8.22-31

Is 45.6-10

B. Testimony of logic

- 1) Nothing creates itself
- 2) That which creates MUST precede that which is created
- 3) That which creates MUST possess more power than that which is created

C. Testimony of conscience

Romans 1:18-23

**IV. CHRIST BUILT THE HOUSE –**

for He is worthy of all honor

A. Evidenced by the implication

B. Testimony of Jesus

John 8.56-59

John 20.26-29

Mark 2.1-12

John 10.29-33

### C. Testimony of Scripture

Hebrews 1:1-3

Colossians 1.15-18

John 1.1-5, 9-11

## V. CHRIST IS GOD

This is the crux of the whole. It is the undeniable center of the Scripture. You cannot be wrong about this and still be a Christian. If Jesus is NOT God then we are guilty of the most obscene blasphemy. But if He is God then we MUST declare it and live out its implications in every possible way.
