### ***Consider & Discuss (Be Transformed!)***

- What is “the promise” (13, 14, 16) and when was it made?
- What does it mean that Abraham “would be heir of the world” (13)?
- In what way does God’s bringing about His promise to Abraham by faith in accordance with grace guarantee the promise “to all the descendants” (16)?
- Who are “the descendants” who receive God’s promise?
- How does God credit righteousness to believers today?
- How does that impact your devotion and mission?
