**Quotes**

Luther Quote #1 – “There is a clear and present danger that the devil may take away from us the pure doctrine of faith and may substitute for it the doctrine of works and human traditions. It is very necessary then, therefore, that this doctrine of faith be continually read and heard in public.”

Stott Quote #2 – “The church’s greatest troublemakers are not those outside who oppose, ridicule, and persecute it, but those inside who try to change the gospel.”

## **Quotes**

Ryken Quote #3 – “The teachers who were getting Paul all hot and bothered were using the same terminology that he used. They were preaching salvation in Christ. All they wanted to do was to take it a little further. Paul’s opponents were ‘Christian-Jewish’ missionaries who had come to Galatia to improve or correct Paul’s gospel and to complete his converts by integrating them fully into the heirs of Abraham through circumcision and by thus bringing them under the law.”

Bruce Quote #4 – “The gospel preached by Paul is not the true gospel because it is Paul who preaches it; it is the true gospel because the risen Christ gave it to Paul to preach.”
