# THE TWO WITNESSES

---

THE FUTURE UNVEILED SERIES | JUNE 19, 2016 | PASTOR KEVIN BROYHILL

## **Introduction:**

Revelation 11 is a continuation of the interlude between the blowing of the sixth and seventh trumpets. It is a lull in the storm so to speak. The events of this chapter do not move the chronology of the book, but gives much needed information as it relates to God's chosen people – the Jews.
