Text: Romans 6:11-14

Theme: As a Christian you can live in victory.

---

Do you ever feel guilty when trying to serve...?

Do you continue to live in guilt for past sin?

This passage is clear that there are some things we ought to know  
(vv. 3, 6, 9, 11, 16)

In this passage Paul gives four commands that are key to Christian  
victory

Reckon (v. 11) – to give weight to, to consider that you are dead  
to sin and alive to serve the Lord

Let not sin reign (v. 12) – don't allow sin to govern or control  
you

Neither yield (v. 13) – don't allow yourself to be a servant of sin,  
don't even get close

Now yield yourselves (v. 19) – now allow yourself and all that  
you have to serve the Lord

**This isn't about dealing with the sin as much as it is about dealing  
with the sinner**
