\_\_\_\_\_ the sacrifice of the soldiers who gave their life for our freedoms, we who live in the United States of America would have no freedoms. In a more important light, had the Lord Jesus Christ \_\_\_\_\_ come to this earth and laid down his life as a sacrifice for sin, we would be destined for an eternity in the Lake of Fire. Because there were men and women willing to serve in the Armed Forces and even give their life for America's freedom, we still \_\_\_\_\_ it today. Because of Christ's marvelous sacrifice for the sin of the world, we can be \_\_\_\_\_ from the penalty, power and one day, presence of sin. This is a wonderful day to remember the sacrifice of our military, but more importantly the sacrifice of our wonderful Savior, the Lord Jesus Christ.
