

Message Title: Considering God's Schedule Pt-23 & 24

Theme: This message looks at what God told us about how He ceases from being tolerant, in dealing with disobedience and uses force when He rules on earth during His thousand year reign.

From the time God created Adam and Eve He stepped back and allowed His creation to engage in all manner of evil. He could have stopped Cain from killing his brother Able but instead all God did was mark him as an outcast and told him to do right and He would be accepted. When King David committed adultery with Uriah's wife and then got him killed to cover his unforgivable sin, which carried the death sentence, God allowed David to live anyway. Even the best Christians disobey as we fail to love God with all our heart and with all our soul and with all our strength and with all our mind, as Jesus commanded us, (see Luke 10:27). Some may believe they have accomplished this but they have underestimated God's holiness and have overestimated their own.

During The thousand years that our Holy God rules earth He only gives one warning and then eliminates those who disobey. This may sound harsh but God will establish a glorious time of plenty for all the people and animals and protect good people from evil doers.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, *even* as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease., ,
