- Recognize what is true (Ephesians 4:20; John 18:37-38; 14:6)
- Is the work of Christ on the cross recognized as essential?
- Does the line of thinking line up with what the cross says about the nature of God, the justice of God, the condition of mankind, and the mercy of God?
- Does the line of thinking line up with the revelation of God's righteousness as it is expressed in the Word?
- Is it consistent with God's ways?
- Does the line of thinking call for personal repentance and faith?
