

Sunday, June 7, 2020 Pastor Brian Gerber The Church in Tension and Expansion Acts 11 Theme: The solution to racial and ethnic tensions is not primarily governmental, but spiritual. 1. Peter and the Gentiles (vs. 1-18) A. The boldness of Peter B. The power came from God C. The "circumcision party" accepted the truth 2. Barnabas and the Gentiles (vs. 19-30) A. He had the needed spiritual <u>credentials</u> B. He approved the church in Antioch C. He brought <u>Saul</u> to Antioch D. Antioch became an important <u>hub</u> of the early church To remember from Acts 11: 1) Ethnic and racial prejudice is not <u>permitted</u> in Scripture. 2) Being a Christian means to find a way to share the gospel with those around you. 3) Big movements have <u>little</u> beginnings.
