The Kingdom of God in Old Testament History

I. The account of creation introduces the concept of the kingdom

A. God provided the components for His kingdom

B. God promised the redemption of His kingdom

II. The covenant with Abraham narrows the focus of the kingdom

A. God promised to make a great nation

B. God fulfilled His promise to Israel

III. The covenant with David identifies the ruler of the kingdom

A. God granted the people's request

B. God replaced the people's choice
