

Session Three: Creation From Nothing

1. No one was “there”
2. Why creation? because of what it reveals about God
3. Science and scripture
4. No common ground
5. The idol of wood
6. Man on the escalator
7. A miracle by any definition
8. Inconvenient (scientific) facts and the fallacy of consensus
9. Enter by the narrow gate (Matt 7:13-14)

John MacArthur: *“If we cannot believe what Genesis says about origins, we are lost as to our purpose and our destiny. Whether this world and its life as we know it evolved by chance, without a cause, or was created by God, has immense comprehensive implications for all of human life.”*
