

Session Four: Man Made in God's Image

1. Science – the sum of his parts
2. Humanism – body without soul
3. Economics – net value
4. Incomparable worth
5. Imago Dei – the breath of life
6. One man Adam, one human race
7. Bringing life from the dust (John 11:25-26)

Louis Berkhof: *“The doctrine of the image of God in man is of the greatest importance in theology, for that image is the expression of that which is most distinctive in man and in his relation to God.”*
