

CANNIBALS ARE COMING!  
(ABOMINATIONS)

*(Joey Faust, 7-11-21)*

**TEXT: Ecclesiastes 12:13 Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man.**

**14 For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil.**

**Psalms 9:17 The wicked shall  
be turned into hell, and all the  
nations that forget God.**

**Ecclesiastes 4:8...neither is his eye satisfied with riches...**

**Ecclesiastes 5:10 He that loveth silver shall not be satisfied with silver...**

**Ecclesiastes 6:7...the appetite is not filled.**

**Proverbs 9:13 A foolish woman is clamorous: she is simple, and knoweth nothing.**

**14 For she sitteth at the door of her house, on a seat in the high places of the city,**

**15 To call passengers who go right on their ways:**

**16 Whoso is simple, let him turn in hither: and as for him that wanteth understanding, she saith to him,**

**17 Stolen waters are sweet...**

**18 But he knoweth not that the dead are there; and that her guests are in the depths of hell.**

**Numbers 13:32** And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is **a land that eateth up the inhabitants thereof**; and all the people that we saw in it are men of a great stature.

**33** And there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight.

**Leviticus 18:3 After the doings of the land of Egypt, wherein ye dwelt, shall ye not do: and after the doings of the land of Canaan, whither I bring you, shall ye not do: neither shall ye walk in their ordinances.**

**24 Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you:**

**30 Therefore shall ye keep mine ordinance, that ye commit not any one of these **abominable customs**, which were committed before you, and that ye defile not yourselves therein: I am the LORD your God.**

**Leviticus 20:23 And ye shall not walk in the manners of the nation, which I cast out before you: for they committed all these things, and therefore I abhorred them.**

**Deuteronomy 12:30 Take heed to thyself that thou be not snared by following them, after that they be destroyed from before thee; and that thou enquire not after their gods, saying, How did these nations serve their gods? even so will I do likewise.**

**31 Thou shalt not do so unto the LORD thy God: for every abomination to the LORD, which he hateth, have they done unto their gods...**

**Deuteronomy 28:55** So that he will not give to any of them of the **flesh of his children whom he shall eat**: because he hath nothing left him in the siege, and in the straitness, wherewith thine enemies shall distress thee in all thy gates.

**56** The tender and delicate woman among you, which would not adventure to set the sole of her foot upon the ground for delicateness and tenderness, her eye shall be evil toward the husband of her bosom, and toward her son, and toward her daughter,

**57** And toward her young one that cometh out from between her feet, and toward her children which she shall bear: for she shall eat them for want of all things secretly in the siege and straitness, wherewith thine enemy shall distress thee in thy gates.

**2 Kings 6:28** And the king said unto her, **What aileth thee?** And she answered, **This woman said unto me, Give thy son, that we may eat him to day, and we will eat my son to morrow.**

**29** So **we boiled my son, and did eat him:** and I said unto her on the next day, **Give thy son, that we may eat him:** and she hath hid her son.

**30** And it came to pass, when the king heard the words of the woman, that he rent his clothes...

**31** Then he said, **God do so and more also to me, if the head of Elisha** the son of Shaphat shall stand on him this day.

"References to acts of cannibalism are sprinkled throughout many religious and historical documents, such as reports of cooked human flesh being sold in 11th-century English markets **during times of famine.**"

*(Smithsonian Magazine, 2013)*

***"Scientist says cannibalism is the answer to climate change...A Swedish scientist says that cannibalism could save us from climate change. Professor Magnus Soderlund, of Stockholm School of Economics, argues that eating the flesh of dead humans could be a sustainable alternative to meat or dairy..."***  
***(The Week, Sept. 2019)***

**"For the Aztecs...'cannibalism was not motivated by starvation but by a belief that this was a way to commune with the gods'... in Africa cannibalism has been linked to sorcery and beliefs that certain powers could be gained through the consumption of human flesh..."**

***(The Week, June 18, 2021)***

**"[Arawak Indians] beat the bones of their lords into powder, and their wives and friends drink it all in their several sorts of drinks."**

**(Sir Walter Raleigh, 16th century)**

**"By the 16th century, cannibalism was not just part of the mental furniture of Europeans; it was a common part of everyday medicine from Spain to England..."**

***(Smithsonian Magazine, 2013)***

**"Initially, little bits of pulverized mummies imported from Egypt were used in prescriptions against disease, but the practice soon expanded to include the flesh, skin, bone, blood, fat and urine of local cadavers, such as recently executed criminals and bodies dug up illegally from graveyards..."**  
*(Smithsonian Magazine, 2013)*

**"Medicinal cannibalism reached a feverish pitch around 1680...But the practice can be traced back to the Greek doctor Galen, who recommended human blood as part of some remedies in the 2nd century A.D., and it continued all the way into the 20th century. In 1910, a German pharmaceutical catalog was still selling mummy..."**

**Isaiah 66:16 For by fire and by his sword will the LORD plead with all flesh: and the slain of the LORD shall be many.**

**17 They that sanctify themselves, and purify themselves in the gardens behind one tree in the midst, eating swine's flesh, and **the abomination**, and the mouse, shall be consumed together, saith the LORD.**

**-Pliny, as well as Dioscorides, a Greek physician in the first century, praised natural *asphalt* (Materia Medica) to cure just about everything.**

- Arab physicians later called it "mumia" (a word for liquid asphalt).**
- A later translation error by Gerard in the 12th century supposedly confused the word to mean the substance in dead bodies, such as mummies.**

**"Each day, about 20 million gallons of sewage flows into the city of Tacoma's wastewater treatment plants. The water is separated, treated, and discharged into the Puget Sound, which leaves behind sludge - a mix of human excrement, industrial waste, and everything else that ends up in Tacoma's sewers. The plants further treat the product to reduce pathogens, bacteria, heavy metals, and odors, and convert it into a fertilizer called biosolids...Over 50 percent of the approximately 4.75 million dry metric tons of biosolids produced nationally each year is treated and applied to cropland. As a fertilizer, it's popular with some farmers because most wastewater treatment plants give it away for free or sell it at prices that are below the cost of synthetic fertilizers..."**

The Guardian (Oct. 2019):

*"Biosolids: mix human waste with toxic chemicals, then spread on crops...By some estimates, Americans send about 300m pounds of feces daily from the nation's toilets to wastewater treatment plants...This 'biosolid' sludge is expensive to dispose of because it must be landfilled, but the waste management industry is increasingly using a money-making alternative - repackaging the sludge as fertilizer and injecting it into the nation's food chain...*

The Guardian (Oct. 2019):

**Now the practice is behind a growing number of public health problems. Spreading pollutant-filled biosolids on farmland is making people sick, contaminating drinking water and filling crops, livestock and humans with everything from pharmaceuticals to PFAS...In what biosolid testing the EPA has conducted, it identified more than 350 pollutants. That includes 61 it classifies 'as acutely hazardous, hazardous or priority pollutants'...A University of North Carolina study found 75% of people living near farms that spread biosolids experienced health issues like burning eyes, nausea, vomiting, boils and rashes, while others have contracted MRSA, a penicillin-resistant 'superbug'..."**

*Biosolids* (1984 double-speak  
word for sewer sludge!).

*"You Can Soon Compost Dead Friends and Family in Oregon...There are now three states in the U.S. where you can legally compost a dead body...Washington became the first state to legalize human composting in 2019, while Colorado followed suit just last month..."*

**"Lesbian Katrina Spade has been promoting the eco-friendly composting of human remains since 2014 when she founded the Urban Death Project, since renamed Recomposed. Get it? Composting humans is recast as re-composing them, kind of like re-purposing them...Wise people have been warning for decades that abortion and euthanasia devalue and desacralize the human body. In addition, the resurgence of pagan spirituality and the ancient heresy of Gnosticism exacerbate and accelerate this...Human composting will be voluntary at first, but how long will that last? Probably about as long as voluntary euthanasia. Doctors are now performing non-voluntary euthanizations. And what comes after non-voluntary human-composting? Mandatory human composting...How long before cannibalism of recently deceased humans is legalized?..." (Family Policy Institute of Washington)**
