APPLICATIONS:

So, what can Christians do?

- 1. We are told to pray for those in authority.**
- 2. We should pray for a revival of the Word of God in our society for without it there is no wisdom!**
- 3. We must witness the saving power of the Gospel of Jesus to a lost and foolish world!**
- 4. We can participate in the voting process by getting informed (understanding the platforms!) and by voting for people who have wisdom!**
