

INDEPENDENCE
DAY?
(UFO'S &
RAPTURE!)

(Joey Faust, 7-4-21)

TEXT: Luke 21:11 And great earthquakes shall be in divers places, and famines, and pestilences; **and fearful sights and great signs shall there be from heaven.**

25 And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;

26 Men's hearts failing them for fear, and for looking after those things which are coming on the earth: **for the powers of heaven shall be shaken.**

Matthew 24:24 For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

-In 1901, engineer Nicola Tesla made the claim that he was receiving radio communications from Mars:

"Nicola Tesla Promises Communication with Mars," The Times (January 13, 1901)

"Are messages coming from Martians frantically trying to communicate with us? Perhaps...one might reason, the Martians have had time to evolve into creatures intellectually far superior to ourselves..."
(Popular Science, May 1919)

"...a certain...incredible phenomenon appeared; I suppose the account of it would seem to be a fable, were it not related by those that saw it, and were not the events that followed it of so considerable a nature as to deserve such signals; for, before sun-setting, **chariots and troops of soldiers in their armor were seen running about among the clouds, and surrounding of cities...**" (Josephus, *Jewish Wars*, VI-V-3)

"In the sky appeared a vision of armies in conflict, of glittering armor. A sudden lightning flash from the clouds lit up the Temple. The doors of the holy place abruptly opened...[Only a few] people placed a sinister interpretation upon this."

(Tacitus, *Histories*, Book 5, v. 13)

"A flaming comet is said to have overhung Jerusalem for a year before its destruction. 'The Jews,' says Josephus, 'have neither eyes nor ears for the [signs] of ruin; as for example, the comet in the form of a sword that hung over Jerusalem (A.D. 69-70) for a whole year together'..."

(D.M. Panton, *The Dawn*, 1925)

(The Telegraph, April 22, 2009)

"Former Israeli space security chief says extraterrestrials exist, and Trump knows about it...A 'galactic federation' has been waiting for humans to 'reach a stage where we will understand... what space and spaceships are,' Haim Eshed said....A former Israeli space security chief has sent eyebrows shooting heavenward by saying that earthlings have been in contact with extraterrestrials...'The Unidentified Flying Objects have asked not to publish that they are here, humanity is not ready yet,' Haim Eshed, former head of Israel's Defense Ministry's space directorate..." (nbcnews.com)

"Aliens and 'Galactic Federation' exist, ex-Israeli space chief claims...A former head of Israel's military space program claims that extraterrestrials have made contact with officials in the United States and Israel over the years, but the aliens won't come out in public because they worry people will freak out...He also suggested that the U.S. and Israel have been collaborating with aliens on space travel for years...'If I had come up with what I'm saying today five years ago, I would have been hospitalized,' he said. 'Today, they're already talking differently...I've received my degrees and awards. I am respected in universities abroad, where the trend is also changing...'..."

"Communication with Extraterrestrial Intelligence...We are not alone in the universe. A few years ago, this notion seemed farfetched; today, the existence of extraterrestrial intelligence is taken for granted by most scientists. Even the...National Academy of Sciences has gone on record that contact with other civilizations 'is no longer something beyond our dreams but a natural event in the history of mankind that will perhaps occur in the lifetime of many of us'..." (NSA.gov; Lambros D. Callimahos, Cryptology expert)

"With a recently released UFO report, more people are asking about extraterrestrial life. Here's what that question could reveal...As the topic of UFOs moves from the realms of science fiction to the halls of Congress, our evolving quest to fill in the unknown could still provide some answers. And not just about the phenomenon...In 1952, unidentified objects caused a national stir after being spotted over the protected DC airspace. One domestic pilot observed bright lights moving across the sky, yet scrambled jets were unable to find the source. One week later, it happened again. Fighter pilots told investigators they saw bright lights moving away in the distance and could not intercept them. The sightings sparked headlines across America. While some attempts at explanation pointed to weather, the cause was never fully determined..." (CNN, July 03, 2021)

"It's unexplained sightings like these that Elizondo researched at AATIP, an investigatory program that studied what it called unidentified aerial phenomena (UAP) for the US government from 2007 to 2012. 'If the American people could see what I and my colleagues in the Pentagon have seen, they'd know that this subject is very, very real, and it's worthy of thorough study,' Elizondo told CNN..."

"According to the unclassified report, 80 of the 144 UFO sightings 'involved observation with multiple sensors.' Former Navy pilot Lieutenant Ryan Graves told CBS' "60 Minutes" in May that pilots along the eastern seaboard have been seeing UFOs "every day for at least a couple years."

-In a Gallup poll last month, one-third of Americans said they believed some UFOs are indeed alien spacecraft, and a resounding three-fourths of Americans said that "life of some form" exists elsewhere in the universe."

"Astronomer Avi Loeb Says Aliens Have Visited, and He's Not Kidding...In conversation, the Harvard University professor explains his shocking hypothesis - and calls out what he sees as a crisis in science...The prolific Harvard University astrophysicist has produced pioneering and provocative research on black holes, gamma-ray bursts, the early universe and other standard topics of his field... In late 2018 Loeb and his co-author Shmuel Bialy, a Harvard postdoctoral fellow, published a paper in the Astrophysical Journal Letters arguing that 'Oumuamua had been nothing less than humanity's first contact with an artifact of extraterrestrial intelligence'...'I'm obviously not a rebel outsider; I'm in leadership positions. I chair the Board on Physics and Astronomy of the National Academies [of Sciences, Engineering, and Medicine]...That board is overseeing the Astronomy and Astrophysics Decadal Survey, which will set major science priorities for NASA and the [National Science Foundation] when it is released later this year..."

"People say the decline of organized religion is this vast increase in atheism, but that's not what the polls show," Baker said. "Instead, we find that the big increases are in this non-affiliated theism, and that's a boon for the paranormal of all kinds, including UFOs."

"On July 2nd, communications systems worldwide are sent into chaos by a strange atmospheric interference. It is soon learned by the military that a number of enormous objects are on a collision course with Earth. At first thought to be meteors, they are later revealed to be gigantic spacecraft, piloted by a mysterious alien species. After attempts to communicate with the aliens go nowhere, David Levinson, an ex-scientist turned cable technician, discovers that the aliens are going to attack...On July 3rd, the aliens all but obliterate New York, Los Angeles and Washington, as well as Paris, London, Houston and Moscow...The survivors devise a plan to fight back against the enslaving aliens, and July 4th becomes the day humanity will fight for its freedom. July 4th is their Independence Day..." (IMDB)

**Psalm 4:8 I will both lay me
down in peace, and sleep: **for
thou, LORD, only makest me
dwell in safety.****

**Isaiah 48:22 There is no
peace, saith the LORD,
unto the wicked.**

2 Thessalonians 2:7 For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.

8 And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:

9 Even him, whose coming is after the working of Satan **with all power and signs and lying wonders,**

10 And with all deceivableness of unrighteousness in them that perish; **because they received not the love of the truth, that they might be saved.**

11 And for this cause God shall send them strong delusion, that they should believe a lie:

1 Thessalonians 5:1 But of the times and the seasons, brethren, ye have no need that I write unto you.

2 For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

3 For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

Second Coming in Three Stages:

From 3rd Heaven to 2nd

From 2nd Heaven to 1st

From 1st to Earth

1 Corinthians 16:5 Now I will come unto you, when I shall pass through Macedonia: for I do pass through Macedonia.

6 And it may be that I will abide, yea, and winter with you, that ye may bring me on my journey whithersoever I go.

Daniel 8:25 And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and **by peace shall destroy** many: he shall also stand up against the Prince of princes; but he shall be broken without hand.

Daniel 12:11 And from the time that the daily sacrifice shall be taken away, and the **abomination** that maketh desolate set up...

Mark 13:5 And Jesus answering them began to say, Take heed lest any man deceive you:

6 For many shall come in my name, saying, I am Christ; and shall deceive many.

7 And when ye shall hear of wars and rumours of wars, be ye not troubled: for such things must needs be; but the end shall not be yet.

8 For nation shall rise against nation, and kingdom against kingdom: and there shall be earthquakes in divers places, and there shall be famines and troubles: these are the beginnings of sorrows.

9 But take heed to yourselves: for they shall deliver you up to councils; and in the synagogues ye shall be beaten: and ye shall be brought before rulers and kings for my sake, for a testimony against them.

12 Now the brother shall betray the brother to death, and the father the son; and children shall rise up against their parents, and shall cause them to be put to death.

13 And ye shall be hated of all men for my name's sake: but he that shall endure unto the end, the same shall be saved.

14 But when ye shall see **the abomination of desolation, **spoken of by Daniel** the prophet, standing where it ought not, (let him that readeth understand,) then let them that be in Judaea flee to the mountains:**

19 For in those days shall be affliction, such as was not from the beginning of the creation which God created unto this time, neither shall be.

21 And then if any man shall say to you, Lo, here is Christ; or, lo, he is there; believe him not:

22 For false Christs and false prophets shall rise, and shall shew signs and wonders, to seduce, if it were possible, even the elect.

24 But in those days, after that tribulation, the sun shall be darkened, and the moon shall not give her light,

25 And the stars of heaven shall fall, and the powers that are in heaven shall be shaken.

26 And then shall they see the Son of man coming in the clouds with great power and glory.

"The endless messages from the space people would now fill a library, and while the communicators claim to represent some other world, the contents of **those messages are identical to the messages long received by mediums and mystics...The demons, devils, and false angels were recognized as liars and plunderers by early man. These same imposters now appear [as aliens]...Dabbling with UFOs can be as dangerous as dabbling with black magic...The Bible warns us that during 'the last days' this planet will be overrun with wonders in the sky and false prophets and performers of miracles."**

**Genesis 3:4 And the serpent said unto the woman, Ye shall not surely die:
5 For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.**

Blavatsky:

''As above, so below.' That time is gone by for ever, when, although our pious ancestors believed that our earth was in the centre of the universe, the church and her arrogant servants could insist that we should regard as a blasphemy the supposition that any other planet could be inhabited. Adam and Eve, the Serpent, and the Original Sin followed by atonement through blood, have been too long in the way...the fact remains that most of the planets, as the stars beyond our system, are inhabited, a fact which has been admitted by the men of science themselves. Laplace and Herschell believed it...''

-In 1897, H.G. Wells
published, *The War of the
Worlds:*

"An insane clergyman is a key character in the novel, but his attempts to relate the invasion to some kind of Biblical enactment of Armageddon seem only to reinforce his mental derangement. His death, as a result of his evangelical outbursts and ravings attracting the attention of the Martians, appears to be an indictment of his outdated religious attitudes making him a candidate for culling by natural selection, at the hands of the superior evolved Martians..."

"Countless people...will hate the new world order...and will die protesting against it."

(H.G. Wells, *The New World Order*, 1940)

TV Broadcast interrupted in 1977, in UK:

"This is the voice of Vrillon, a representative of the Ashtar Galactic Command, speaking to you. For many years you have seen us as lights in the skies. We speak to you now in peace and wisdom as we have done to your brothers and sisters all over this, your planet Earth. We come to warn you of the destiny of your race and your world so that you may communicate to your fellow beings the course you must take to avoid the disaster which threatens your world...This is in order that you may share in the great awakening, as the planet passes into the New Age of Aquarius. The New Age can be a time of great peace and evolution for your race, but only if your rulers are made aware of the evil forces that can overshadow their judgments...Be still now and listen, for your chance may not come again. All your weapons of evil must be removed. The time for conflict is now past and the race of which you are a part may proceed to the higher stages of its evolution if you show yourselves worthy to do this. You have but a short time to learn to live together in peace and goodwill. Small groups all over the planet are learning this, and exist to pass on the light of the dawning New Age to you all. You are free to accept or reject their teachings, but only those who learn to live in peace will pass to the higher realms of spiritual evolution.

TV Broadcast interrupted in 1977, in UK:

Hear now the voice of Vrillon, a representative of the Ashtar Galactic Command, speaking to you. Be aware also that **there are many false prophets and guides operating in your world. They will suck your energy from you...Your inner divine self will protect you from this.** You must learn to be sensitive to the voice within that can tell you what is truth, and what is confusion, chaos and untruth. Learn to listen to the voice of truth **which is within you** and you will lead yourselves onto the path of evolution.

TV Broadcast interrupted in 1977, in UK:

This is our message to our dear friends. We have watched you growing for many years as you too have watched our lights in your skies...You know now that we are here, and that there are more beings on and around your Earth than your scientists admit. We are deeply concerned about you and your path towards the light and will do all we can to help you. Have no fear, seek only to know yourselves, and live in harmony with the ways of your planet Earth. We of the Ashtar Galactic Command thank you for your attention..."

"Strangely, though, no-one's ever come forward and claimed responsibility for it, and the episode remains one of those curiosities from the 1970s [1977] that will perhaps never be explained...there is nothing prankish about the Vrillon interruption; there's no punchline or rug-pull, no swearing, or obscenity, or explicit protest of the specific TV station or media in general...That keeps it ambiguous enough that there's still this glimmer of possibility - no matter how tiny - that the whole thing was, and is, somehow real..."
