### 5) Urgency

### 6) Tenacity

#### Praxis

1. How does this world typically view “work”, bosses, housework, etc.? How does the Scripture say Christians are to view our daily employment in this world?
2. Scan Mark 1:21-34 (typical day of Jesus), then read Mark 1:35-39. How does the Jesus’ practice in v. 35 translate into how we might gain / maintain strength & perspective for doing the works of Jesus in this world?
3. How does “I am Jesus’ light to my world” change your perspective on your activities in your workplace, home, neighborhood, etc.?
4. What specific “anti-work” attitudes or actions need to be put away if you are to do the works of Jesus?
