

**Message Title:** Three That Agree in One

**Theme:** Although the Bible is full of short stories that appear to stand alone they are definitely linked into past events and into future prophecies. They are hints that God has left for us to discover more about the mysteries of His creation. An example may be the connections between when Moses turning the water into blood that killed all the fish in Egypt and then the first public miracle as Jesus turned water into wine, then Jesus saying to Simon Peter and Andrew “I will make you fishers of men”, then when they pierced Jesus side and there came forth water and blood unmixed?

This message considers several things that should stir curiosity about why God told us about these things in the way He did and how He may benefit from our responses.

**Salient Points:** Does God really change His mind, The Elijah and John the Baptist mystery, Of no private interpretation, The Bible is about God, Selfish prayers, The two witnesses, Breathing fire, The third time is a charm, Two super power witnesses, Turning water into blood, Running water, Blood sweat and tears, Three agree in one, When all the fish died, Fishers of men, Get past self, Flesh and bones without blood, What Eve probably ate in the garden, The knowledge of good and evil, Water into blood vs blood into water, The knowledge of the, Holy.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons.

This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought me to Psalm 50:15 three times following the miraculous healing of my dying wife. It reads, "*And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me*". Following this I prayed fervently. "LORD, show me how to glorify you and I will do the best I can".

The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again".
