

**“HEAVENLY ANGELIC ANNOUNCEMENTS” Pt 2
REVELATION 14:11-20; SUPPORT SCRIPTURE**

- I. THE “ABOMINATION OF DESOLATION”, THE BEGINNING OF THE END
- A. *The beast sitting in the temple of God, showing himself that he is God 2 Thess 2:4
TRIGGERS: Jews flee fast; image of the assassinated beast made to talk by the “prophet”; devastating persecution breaks out; people must receive the mark of the beast or die; worship of the beast and the dragon*
 - B. *War in heaven in which faithful members of the divine council finally get permission to battle and defeat Satan
TRIGGERS: The kingdom(s) of this world become Christ’s by inheritance and decree of God; Satan is kicked out of heaven for good; he flies, raging with wrath, to earth to inhabit the beast; intensifies the persecution of anything belonging to God; the great tribulation is now in full operation*
 - C. *The wrath of God is going to be poured out now with great fury and destruction as the 7th trumpet brings on the 7 bowls of wrath. The faithful council members begin to reveal the decrees of the council regarding unbelief and giving one last call for repentance.*
 - D. *The angels proclaim a blessing on all the martyred ones in Christ: Their endurance is honored; they are coming to their rest; their works follow them*

II. THE BEGINNING OF THE FINAL HARVEST

- A. God has promised an end to the rebellion against His character and person
- B. The decrees of the council are at the announcement of the end of the kingdoms of this world. They are transitioned to Christ. From that time on, all those who identified with those kingdoms will perish.
- C. The harvest is decreed and the harvesters commissioned to begin. There are two harvesters involved with this harvest of human life
 1. One like the Son of man seated on a white cloud wearing a golden crown, holding a sharp sickle
 - a. A temple angel commands the Son of man to thrust in his sickle and reap the earth
 - b. The council had determined the time of harvest had come
 - c. He carries out the action effectively, efficiently and completely. This is the grain harvest
 2. Another temple angel comes out with another sharp sickle
 - a. He is commanded by the altar angel who has authority over fire to thrust in his sickle to harvest the grapes
 - b. The grapes are fully ripe; time is right
 - c. The grapes are put into the winepress of the wrath of God and are trampled in to blood
 3. These are pictures of the actions fulfilled by the bowl judgments and the second coming
