## 1 Thessalonians 5:9

- I. In the area of creation there is the testimony of Christ's return.  
(Romans 8:22; Acts 1:19)
  
- II. The members of the church in the first century had this hope embedded  
In their minds, hearts, and souls.  
(I Thessalonians 4:16-18; Titus 2:13)
  
- III. In the great plan of God, the second coming was to be the consummation  
Of all His purposes of mankind.  
(1 Corinthians 15:25; Genesis 3:15; Revelations 5:9)
  
- IV. Then there is the testimony of angels.  
(Acts 1:11)
  
- V. We also have the testimony of demons concerning Christ's return.  
(Matthew 8:28-34)
  
- VI. We have the testimony of our Lord and Savior Himself.  
(John 13:33-36; John 14:2-3; Revelations 22:7; Acts 1:12)
