

“The Omniscience of God: Job and his Suffering”

Our theology assures us that God knows everything - that He is omniscient. However, our experience causes us to wonder if God knows what He is doing. We declare that He is omniscient, but question if He is wise.

In the book of Job . . .

- I. God is proving the character of _____ to _____ (1-2).

- II. Job is proving the character of _____ to _____ (3-37).

- III. God is proving the character of _____ to _____ (38-42).
