### *Why Pray If God is Sovereign?*

**Rev. Danny Hyde, Pastor**

Psalm 50:1–15

Developing a Culture of Prayer #9

---

*For our first Sunday evening prayer service, we want to again focus our hearts and minds on developing a culture of prayer as a congregation. As prayer is our expression of total dependence upon the Holy Spirit to bless us and lead us as a people, one of the questions we often don't have an answer to is a fundamental one: why should we bother praying if we believe God is totally sovereign? That's what we'll briefly meditate on tonight before praying.*

**God commands us to pray**

**By prayer God reminds us that we are not God**

**God connects his blessings to prayer**

**By prayer God stirs us up to thankfulness**
