

## UNDERSTANDING GOD'S DIVINELY DESIGNED ROLE FOR THE HUSBAND

\* Ephesians 5:18-21

### I. THE HUSBAND IS THE LEADER OF THE HOME (Eph. 5:23-24; 1Cor. 11:3)

A. God declares the “\_\_\_\_\_.”

\* What example is given? (Col. 1:18)

B. God declares the \_\_\_\_\_.

\* What example is given? (Col. 3:18)

### II. FALSE MISCONCEPTIONS ABOUT THE “HEADSHIP” OF THE HUSBAND

A. Headship does not mean the husband is to be a \_\_\_\_\_.

B. Headship does not imply the superiority of the husband, but his \_\_\_\_\_  
in marriage.

\* 1 Corinthians 11:3

\* What are the two extremes to be avoided in this?

\* A principle to remember:

**C. Headship does not mean the husband is the exclusive decision-maker without \_\_\_\_\_  
\_\_\_\_\_ and \_\_\_\_\_.**

\* How is this brought out in the analogy of the head and the body?

\* How was this demonstrated in the Bible?

\* What happens when you have to make a decision and you do not agree?

**D. Headship does not mean the husband is always right, but it does mean he is always \_\_\_\_\_  
\_\_\_\_\_ for his family.**

\* What is a wife to do if her husband makes a foolish decision?

**E. Headship is never to be \_\_\_\_\_ or \_\_\_\_\_ by the  
husband.**

\* What does this mean practically?

\* Where should a person properly learn this role?

\* What happens if they do not?
