

SUNDAY MORNING

CORRECTING UNBIBLICAL THINKING & ANGER

8/7/2016

2nd sermon: THE DANGER OF ANGER

Text: Psalm 73 & 39

Theme: We must identify and repent of unbiblical thinking and anger.

Godly people can struggle with ungodly thinking and ungodly anger

I. Unbiblical thinking and unbiblical anger fail to consider your own worthiness of judgment

The goodness of God leadeth to repentance

It isn't that we are holy and they are wicked. We are just **forgiven!!**

II. Unbiblical thinking and unbiblical anger fail to consider the brevity of life and man's need for God's grace

? If you see someone you consider worthy of God's judgment will you share with them God's grace?

Your life is too short to be spent on missed opportunities
