

Overview

Here, the Lord tries another tactic to work on his heedless and untoward people. A roll of a book (a Temple scroll) is given containing a summary of all the sermons Jeremiah had preached to them, that they might be reminded of what they had heard. God did this so they could have better understanding of his word when they had it all before them in one view. The chapter breaks down as follows:

- | | |
|--|-----------|
| I. The Writing of the Roll | v 1 - 4 |
| II. The Reading of the Roll | v 5 - 21 |
| III. The Burning of the Roll | v 22 - 26 |
| IV. The Writing of Another Roll | v 27 - 32 |

Today we will examine the first aspect of the chapter: the writing of God's word.

God used a five-fold method to bring his word to his people (and to the world).

1. Presentation
2. Inspiration
3. Inscription
4. Preservation
5. Translation
