

- A. Daniel 11 contains the substance of the vision of which Daniel 10 served as introduction.
- B. The text contains the heart of the vision, as far as our purposes for now are concerned: instruction regarding the coming of Antichrist.

Daniel: God's Antithetical, Indestructible, Triumphant Kingdom (14) The Coming of Antichrist

I. Opposing God's Covenant.

- A. The text is a prophecy of Antichrist's coming, and what he will do when risen to power.

- B. The text prophesies of Antichrist's opposition to God's covenant and covenant people.

II. Stirring the Covenant People to Action.

- A. Preserving His church and covenant, God will cause His people to respond in a sanctified way to Antichrist's efforts.

- B. This defense of the covenant by the covenant people will increase Antichrist's opposition.

III. Directed by the Covenant God.

- A. The text and its context are clear that God directs all that is related to Antichrist's coming.

- B. Let us know God's purpose, and respond now as believers will respond in that day!
